Principal's Report – Dan Phillips

- Testing is finishing
 1. Always difficult process for teachers/admin--but less stress then expected
 2. averages in comparison to last 3 years looks strong so far as results for SOLs come in. Early results in LA (reading)-looks fully accredited
 3. School year is going to finish strong, not a week of parties and videos, will end the year active and academic. All need to be aware it is not an easy transition to the summer for all our families/students

 - **PTA Vice President of Fundraising**
 - **Kindergarten Orientation Chair** (run a couple events over the summer)
 - **Spirit Wear Chair** – all the orders are done online, just maybe help us select some new styles for next year, help with informing families that we offer spirit wear and be the contact for the vendor.
 - More to come!
- Think something should be done better? This is your opportunity to make that change!
- Community Outreach help needed!
